

*Psychologists know that the first three years of an infant's life are the most critical ones for brain development*

MTC is a fun and interactive program for parents and caregivers with 0-3 year olds

**SIGN UP TODAY**

**Hello Parents & Caregivers with infants 0-3 years old!**

**We are excited** to offer the **Make the Connection** program **to parents in this community for FREE** using the **coupon code MTCGS**. The program is delivered **online** and once you sign up, **it will take eight weeks** to complete. **Each week you will be given access to a module** for you to review and complete, and **each module will take you about 15 minutes** to complete. **Join us online and learn how to form secure and healthy attachments with your baby!**

make *the*  
connection®

Make the Connection (MTC)  
is an online program  
designed to help you  
build a secure attachment  
with your  
baby!
