50+ YEARS OF PROMOTING MENTAL HEALTH

About Us

Founded in 1974 by pioneering psychologists, we have spent over 50 years promoting mental well-being in children and youth using psychological science. At a time when mental health awareness was rare, our founders recognized that fostering resilience in childhood was key to a healthier future.

Today, as a charitable organization with national reach, we continue this mission by providing evidence and psychology-based programs that equip young people, from birth to age 18, with essential coping skills. Our work focuses on three key pillars:

- **Attachment** – Strengthening early parent-child bonds.
- **Stress Management** – Teaching stress coping strategies.
- **Capacity Building** – Empowering youth for lifelong resilience.

Through a mental health promotion approach, we empower children and youth directly—along with the parents, caregivers, educators, and professionals who support them—with practical tools to build resilience and thrive, laying the foundation for lifelong mental well-being.

Crash Course Workshops

Workshops designed for parents, caregivers, educators, and youth-serving professionals.

- 1-hour delivery
- Starting at \$250/base

Group pricing available.

Stronger Adults. Stronger Kids.

Looking for a crash course on stress management for your staff or a parents' night for your school?

Our workshops dive into the fundamentals of stress and offer actionable strategies to help adults support both young people and themselves.

Distinct Sessions

1

Masterclass in Stress Management (Supporting Ages 4-18)

Empowers adults with essential insights into stress and resilience—key skills for helping young people navigate life's inevitable ups and downs.

2

Taking Care of You (Supporting Yourself)

- Empowers adults with practical strategies to manage life's ups and downs while prioritizing their own mental well-being.

Value of \$25 per person.
